

Dear All Participants of the BRIDGE Summer Camp 2019

First of all, thank you very much for joining us and creating the BRIDGE Summer Camp 2019 together!! We are sending the APCC Memorial Booklet to all of you who participated in the BRIDGE Summer Camp 2019. We hope that it will remind you of the good memories you gained in Fukuoka through APCC and bring you pleasure and smile.

How to Join BRIDGE CLUB (BC) in Your Country or Region

As you participated in the APCC this past summer, you are now a member of your local BRIDGE CLUB (BC), if your country/region has already established a BC.

Please visit <http://www.bcio.org/index.html> to see if there is a BC in your area.

If you want to join your local BC, first, you have to get in touch with the current president of the BC. This is a good opportunity for you to connect with all the former APCC participants around the Asian-Pacific through BRIDGE CLUB International Organization (BCIO) network. Also if you become an active BC member, you might have a chance to come back to Fukuoka as a Peace Ambassador (PA) to represent your BC and see your host family & friends again.

Those who do not have BC in your country or region but have an interest in establishing one, please contact your local APCC Liaison Office. They will help you finding the former participants in your country to hold a reunion and get started with the establishment. If you have any questions, please feel free to email us at office@bcio.org. You can ask for any assistance needed from us. We will always be there to support and guide you.

So, what are you waiting for??? Let's Join and work together for Peace & Coexistence through the APCC BRIDGE.
