Hello ! My name is \_\_\_\_\_ (Each JA must say their nick name or the first name. DO NOT say your full name).

Today we are going to play (Game Name).

Before playing there are some game rules that must be followed.

(One JA can explain the game rule. Please speak slowly and clearly)

For example: (This is just an example, you do not have to do the same game)

This is the rules to play before "Daruma san ga koronda" game.

"Daruma-san ga koronda!" is played with a group of people.

One person who is "it"—the Daruma—stands at one end of the hallway while the other players start at the opposite end. The Daruma turns their back to the others and says, "Darumasan Ga Koronda!". When the Daruma is speaking, the other players run towards him or her. As soon as the Daruma completes saying turns around abruptly to look at the others, who must freeze in place. If the Daruma sees someone moving, they point them out to be sent back to start.

The game continues like this until someone reaches the finish line. Once the Daruma is tagged, everyone else runs back to the start and the person who is the Daruma switches.

(After the explanation, Play the Game.)

Thank you, Bye bye~ (Wave with a smile)
