

## Application Video Instruction

1. In the video, please introduce yourself and explain what you can contribute to the BCIO management as a BCIO Head Office Member.

Talk in the light of

- What skills/experience do you have?
  - What sessions do you think you would be able to run?
  - How can you continue giving back to APCC/BCIO in next 2 years?
2. The video should be maximum 2-minute-long and should contain nothing except the applicant talking. Should not include screenshots or postproduction wizardry. Video should be uploaded in YouTube. Don't mark it as private or disallow embedding on YouTube, or we won't be able to watch it.  
  
\* But, if you are in a country where YouTube is unavailable, you may use an alternate service like YouKu for China. If you use YouKu, you may want to set a password on your video. You can provide the password in the application.
  3. Please do not recite a script written beforehand. Just talk spontaneously as you would to a friend.
  4. Please do not add any background music to your video.
  5. Watch your own video before you submit. Make sure you can hear what you are saying. A significant fraction of the videos we get are inaudible. If you're going to apply at all, you may as well apply with a video we can hear.
