4. Please write a short introduction about yourself. (簡単な自己紹介)		Hello, I'm Taro and I am very glad to join this Challenge Trip as a Chaperon leader again. APCC is an important part of my life. I have been to 10 countries and I love eating local traditional foods. I studied in France for 2 years and can speak simple French. I also like running and try to run 3km every day. I have never been to your country, so I am very excited to take our participants there!			
5. What is your purpose/motivation for participating in BRIDGE Challege Trip as a Chaperon? (引率者としてチャレンジトリップに参加する目的・動機は何ですか?)		I want children to experience the value of international friendship. About 20 years ago, I joined APCC as a participant with the Korean delegation when I was a high school student. I am still in touch with my host family from that time. I hope children can learn that friendships made in childhood can last for many years, and that people from different countries can become like family. Also, as a teacher, I would like to learn about education in different countries through school visits and use what I learn to improve education in Japan.
